Product description:

The **Jk 137 treadmill** is an excellent JK Fitness product with notable performance.

Equipped with a powerful **3.0 HP motor with continuous power peaking at 4.5 HP**. It allows you to reach a **maximum speed of 20 km/h**, starting from a minimum of 1 km/h with 6 preset speeds and is adjustable in increments in steps of 0.1 km/h.

Equipped with **electronic inclination**, the inclination of the platform can be adjusted via the appropriate buttons on **18 different levels, 6 preset steps**.

The running surface has a surface area of 50 x 140 cm and the running belt is non-slip on double-weave cotton canvas, 1.8 mm thick.

It has a shock-absorbing system of 4 **elastomers and 8 AIR SHOX** which manage to absorb a good percentage of impact on the platform.

The **diameter of the rollers** of the Jk Fitness 137 is **50 mm for the front roller and 46 mm for the rear one**.

Features MP3 input, USB input, Bluetooth speaker, speakers. Also equipped with Bluetooth for Zwift, Kinomap and Fitshow apps, 2 bottle cages, fan and storage compartment.

The model is compatible with **the Zwift App** which allows you to run on more than 100,000 km of geolocalized videos all over the world and **Kinomap fitness** which allows you to race on various routes with multiple users at the same

time to make training more varied and fun.

It features a console with a 155 x 90 mm LCD window with blue backlight, where you can view time, distance, speed, calories, inclination, program, 400 m track lap, pulse, detected thanks to the manual hand pulse sensors or wireless receiver for heart rate monitor.

The Jk 137 has many programs available: **manual, 12 presets** with automatic speed and inclination variation, **2 HRC programs (HRC 1 Max 10 Km/h - HRC 2 Max 12 Km/h), 3 customizable and storable, test body fat.**

The treadmill can be **closed** thanks to the servo-assisted closing via a hydraulic piston and can be moved using the wheels on the base.
