Product description:

TOORX WBX-900 is the new adjustable bench for professional use from the Toorx Professional line.

Made of **reinforced steel tubing with** a rectangular oval section 75 x 50 x 2.5 mm, making **the structure extremely stable and robust** .

The particular double epoxy powder painting gives an anti-scratch treatment. Made with **70mm thick cushion** covering to ensure maximum comfort.

The seat inclination is adjustable on 4 levels, from 0 to 30°. The backrest is adjustable on 10 levels from 0 to 85°.

The **Toorx WBX-900** bench is equipped with **handles and wheels to make it easier to move.**
