Product description:

FIBA and FIP Molten BG4000 approved competition basketball

Made of synthetic leather with high grip, the Molten BG4000 is a basketball approved for competitions . It is in fact the ball chosen by the Italian Basketball Federation for the matches of the National Amateur League and for the ABC Men's Italian Amateur Championships.

Weight and size are the regulatory ones defined by FIBA , and the material with which it is made, make it extremely durable and usable both indoors, therefore on rubber or parquet playing fields, and outdoors.
