Product description:

Toorx Mirage S80 treadmill offers **cutting-edge technological solutions** thanks to **patented technological solutions** such as **EN 957 compliant handrails** that can be folded with a simple gesture and the **exclusive "Smart Rings"** for speed and inclination adjustment.

The Toorx Mirage S80 treadmill allows you to reach a maximum speed of 22 km/h , starting from a minimum of 1.0 km/h with increments in steps of 0.1 km/h. **AC MOTOR, alternating current** , particularly suitable for long and intense training sessions.

Programs: 1 manual, 24 preset, 4 target, 4 user, 4 HRC, Body fat tester

570 x 1600 mm running surface with pre-lubricated 2.2 mm belt thickness

Equipped with a beautiful **console where there are 6 White LED Displays and 1 Display with graphics** from which you can view time, distance, speed, step (steps), altitude (difference in altitude), pace (step per km), inclination and **pulse**, detected via hand pulse sensors **and through the Toorx Cardio Strap included**.

An absolute novelty, as already mentioned, is the **Smart Ring** , **2 silver ring-shaped rings on the console** which allow you to increase or decrease speed and inclination with **light pressure** . Also equipped with a control panel with capacitive touch screen technology.

APP READY 3.0 - USB input for TRX APP GATE 3.0 (optional).

Intelligent Bluetooth system that allows you to take advantage of outdoor training apps. Includes iConsole+

Training App. Compatible with Zwift and Kinomap (subscriptions not included)

Supplied with 3-speed fan with adjustable air flow. Smartphone/tablet support, Bluetooth speakers with metal grille.

The structure is robust and solid, it has a very simple and immediate opening/closing system, it will take just a few seconds!

Lifetime warranty, pre-assembled 80%. Also equipped with nr. 4 wheels for easy transport.
