#### Product description:

The **Movi Fitness Top Slim treadmill** is characterized by an innovative design and good performance.

Equipped with a **2.0 HP continuous power motor with peak at 3.0 HP**. It allows you to reach a **maximum speed of 16 km/h**, starting from a minimum of 1.0 km/h with increments in steps of 0.1 km/h.

Equipped with **electronic inclination** on **10 different levels**.

It has a **5-window LCD screen** where you can view **time, distance, speed, calories, inclination, pulse, detected thanks to the hand pulse sensors**.

Equipped with a 51 x 128 cm running surface cushioned by 8 elastomers.

Compatible with Zwift App.

It features USB for charging your devices and a Bluetooth system for Zwift apps. Also equipped with two bottle cages. Also included is JK Fitness Cardio Strap.

The **Movi Fitness Top Slim treadmill** has many programs available: **Manual, 12 presets with speed and inclination variation, 3 customizable and storable, 2 HRC**.

The space-saving treadmill can be **folded** and can be moved using the wheels on the base.
