Product description:

The **DIAMOND T83 treadmill** is the answer to anyone looking for the right combination of **workout and entertainment**

This **treadmill** is suitable for those looking for a professional product, in fact, **the T83** is powered by a **5.0 HP continuous AC motor**, reaches **25 km/h** at maximum gradient and offers a **60x162 cm running surface with 2.5 mm non-slip orthopedic tape pre-lubricated for 1000 hours**, cushioned by **8 elastomers** to offer full comfort and safety to users weighing up to 170 kg

The heart rate is detected and monitored through the **hand pulse system, integrated wireless heart rate monitor receiver . Cardio Pulse belt** as standard

Such a beating heart is instrumental to an electronic brain that accompanies the **DIAMOND T89 equipped with 7 LED windows**, which give the possibility of displaying **Time, Distance, Speed, Inclination, Calories and Heart Rate**, so as to allow the user of any level a full immersion in the most effective workout accompanied, guided and assisted by **37 pre-set programs, 3 HRC programs and Test Body fat**

Among the accessories **supplied we find: MP3 input, USB for charging devices, Bluetooth speakers, headphone jack, Bluetooth for Kinomap, Zwift and Anyrun apps, Smartphone and Tablet support, 2 bottle holders.**
