### **Product description:**

The **DIAMOND 500 Series Wide Pulldown** was designed around human movement.

The possibility of loading the **arms independently** allows **divergent and independent movements** for **optimal biomechanics**.

**Isolateral movements** allow the user to train with both limbs together, independently or alternately.

The **double grip** on each arm gives the user increased comfort and the possibility of varying the exercise mode.

The seat, **comfortable and ergonomic**, is **adjustable to different heights**, in the same way as the leg block, so as to adapt to all users.

High density foam padding, PU leather upholstery "for furniture". **2 disc holder pins** for easy and immediate storage.
