### Product description:

The **DIAMOND 550 Series Combo Lat Machine/Pulley** is the solution that allows you to have a machine capable of training the entire **muscle group of the back and rear deltoid**.

This machine features thigh pads that adjust easily to provide **stability and comfort to the user**, plus the included straight bar has angled ends to ensure proper arm and wrist positioning during workouts.

**High density foam padding**, PU leather upholstery "for furnishings" and ABS protective casing. Machining of aluminum pulleys with CNC process; the bearings are built with high quality material to withstand high intensities and for a long time.

**Full cover** , virgin ABS material with 4mm thickness, durable and eco-friendly. **Coated metal cable with resistance capacity up to 1400 kg.**
