Product description:

Zeus Elite Reduced Rebound Futsal Ball Size 4 The Zeus Elite five-a-side football **is entirely made of Ultra Soft TPU**, with hand-sewn panels for greater playing quality and a **translucent surface**.

The ball is characterized by a particular green color, which makes it visible in all conditions.

Thanks to the **high construction quality**, it can be used in any condition (indoor or outdoor) and on any surface.

With a weight ranging between 400 and 410 g and a diameter between 62 and 64 cm (depending on inflation) it is perfect for both **amateur competitions and for school use or training.**
