Product description:

Toorx Brx Office Compact home bicycle with 6 kg flywheel and magnetic braking system with manual adjustment of effort on **8 resistance levels with double belt**.

The first and only one on the market to offer, in addition to easy access and the innovative **patented multi-adjustment system**, a truly **ergonomic desk** that allows you to work on the computer while pedaling, without giving up the training information provided by the integrated computer.

Designed to be as space-saving as possible, **it has a wide saddle with a reclining backrest and can be adjusted vertically**. The **ergonomic desk is vertically adjustable in 7 levels and tiltable in 5 levels**.

To complete the equipment, the **hand pulse sensors** for **detecting the heartbeat** and the LCD display where you can view time, distance, calories, speed and odometer.

Tablet stand/lectern and drink holder included.
