#### **Product description:**

**Sports mattress 400x200x30 cm 45° cut, with standard bottom** made of non-deformable sponge density 21kg/m<sup>3</sup> and monobloc structure.

PVC cover 650 gr per square metre, class 2 fireproof, washable, anti-mould, phthalate-free.

**The mattress** can be used as **safe area** to protect the physical integrity in **gymnastics, climbing, parkour, circus art, childrens playground and in all activities that require a safe area for falls.**

**The landing area** is made up of **two mattresses** joined by nylon straps with snap clips.

**The cover** is equipped with a zip on three sides with a faux leather reinforcement on the ends, which allows cover removing. Carrying handles, vent net and possibility of adding (optional) handle with metal ring for storage.

**The mattress cover** can be made in blue, yellow, green, red, at no extra cost. In the absence of a specific request, the color available in stock will be sent.

Any color preferences can be written in the "notes box" at the order time.

**Made in Italy, entirely made by Gana Sport.**
