Product description:

The **Garlando F-1 Goal football table with retractable rods** is made with quality materials and with great attention to detail and offers innovative solutions such as telescopic safety rods and leveling feet.

The **MDF cabinet** with melamine covering and cherry color has a thickness of 15 mm. The **sturdy square MDF legs** (7.5 x 7.5 cm) with black melamine covering make the table stable even during games. **Adjustable feet** as standard for perfect leveling of the playing surface even on uneven floors.

The **MDF playing field** with melamine covering has a grass green background and white lines, which reproduce the stadium ground.

Equipped with tubular rods with a diameter of 13 mm and a thickness of 1 mm.

Scoring goals is easier and more fun thanks to the **goalkeeper who rotates on himself** and the particular configuration of the players, arranged according to the scheme: 1 (goalkeeper), 2 (defenders), 4 (midfielders), 3 (forwards). Color of men: blue and orange.

Abacus scoreboard in orange and blue colors coordinated with the little men.

Simple and immediate **recovery** of balls into goals from two portholes located behind the headers.

2 white-black soccer ball effect balls supplied.

This table football maintains an excellent quality/price ratio
